I have attached 2 documents that include a draft combined agreement and an updated HDOA draft agreement for discussion. I have made some other updates in the HDOA agreement based on recent conversations with the investigation team. I have not spoken to Delanie again since my Thursday call with her as I would like to have something concrete to share after providing her with the ADC call debrief already. I did note in the email chain that there was a suggestion that the agreement not be placed into sections, but rather put into a format that represents one agreement. I do not think that will work.

Sounds good. I'm not surprised by Delanie's response. I hope this all smoothly and efficiently falls into place (but I'm ready for ADC to drag things out...).

While waiting to hear from Delanie, we could send of a draft of the proposed language to Andrew. Brittany, let's plan to hammer out some language next week.

Best,
